

12 EASY STEPS TO MAKE A DELINQUENT

1. Begin with infancy to give him everything he wants. In this way he will grow up thinking the world owes him a living
2. When he picks up "bad" or "dirty" words, laugh at him. That will make him think he is cute. He will run off and pick up some other words that will blow off your head.
3. Never give him any spiritual training until he is 21, and then let him decide for himself. By the same logic, never teach him the English language. Maybe when he is old enough he may want to speak Bantu instead!
4. Praise him in his presence to all the neighbors; show him how much smarter he is than the neighbors' children.
5. Avoid the use of the word "wrong." It may develop in the child a "guilt complex." This will prepare him to believe that when he is punished later on for wrong-doing society is against him and he is being persecuted.
6. Pick up everything after him: his shoes, his books, his clothes. Do everything for him so that he will be experienced in throwing burdens on others.
7. Let him read anything he wants. Have no concern whatsoever for what goes into his mind. Provide him with sterilized cups for his lips, but let his brain drink out of any dirty container for words and ideas.
8. Quarrel frequently in the presence of your children. In that way they will be prepared for broken homes later on.
9. Give him all the spending money he wants; never let him earn his own.
10. Satisfy every craving of the child for food, drinks, and everything that has to do with the sense of taste and touch, gratifying every sensual desire.
11. Take his part against police, teachers, and neighbours. They are all prejudiced against your little child.
12. When he gets into real trouble, always defend yourself and say, "I never could do anything with him."
