

Pro-Lifers agree
with NARAL that
men have
NO RIGHT to an
opinion on
abortion
“rights”

Wait, where are the women?

Anti-choice Republicans on the Senate Judiciary Committee

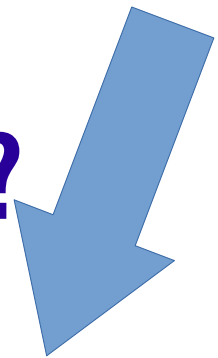

This committee oversees abortion rights.

(see below...)

Now, is it too much to ask
NARAL to be as consistent
about this as Pro-Lifers are?

Wait, where are the women?

"Pro-choice" Democrats & Republicans on the U.S. Supreme Court, 1973

This committee ***INVENTED*** abortion "rights".

**NOBODY-- not even seven Supreme Court Justices--
has a right to say it's OK to kill unborn human babies!**
